Passion for life

The Warnerbus Renault Trafic Accessible Minibus

If you require a smaller accessible minibus, but need the reliability of a Renault vehicle, the Trafic is your ideal solution.

Available in long or short wheelbases, the Renault Trafic range of minibuses by Warnerbus offers a new dimension in passenger safety and comfort.

All buses have power assisted steering, ABS brakes, remote central locking and radio CD player as standard. Optional manual or electric side steps are available, along with a variety of tail-lifts for wheelchair and disabled access.

Our standard specification includes fully bonded glazing to manufacturer's specification, luxurious, but hardwearing trim, M1 and M2 tested passenger seats (all fitted with integral lap and diagonal belts) which conform to the latest EEC Directives. An extensive list of options is available to enable the discerning customer to bespoke their minibus to meet their specific requirements.
